14. **Weather, Safety and Event Conditions**

    As this is an outdoor event, the Organising Committee may delay, suspend, cancel, or reschedule classes if weather or arena conditions pose a safety risk to horses, riders, officials, or spectators.

    Cancellation or Postponement

    - If severe weather is forecast or the arenas are unsafe, a decision to cancel the show will be made by 08:00 on show day where possible.
    - If cancelled, the entire show will move to the next scheduled show date.
    - Entry fees are non-refundable, and entries will automatically carry over to the new date, subject to schedule capacity (maximum 100 tests across two arenas).

    Lightning Safety

    - Lightning conditions may be monitored using the Lightning Alarm weather detection app or a similar system.
    - Competition will stop immediately if lightning is detected within 5 km.
    - Competition may resume once lightning is more than 10 km away and the Ground Jury or Organising Committee confirms it is safe.
    - Riders must dismount and move horses away from arenas and metal structures during a lightning delay.

    Rain and Arena Conditions

    - Competition will generally continue in rain if arenas remain safe.
    - The Ground Jury and Organising Committee may suspend or delay classes if footing becomes unsafe. Penbritte arenas have well-established drainage to assist in wet conditions.

    Force Majeure

    - The Organising Committee will not be liable for cancellation, delays, or changes caused by circumstances beyond its control, including severe weather, natural disasters, power failure, government restrictions, or equine disease outbreaks. Entries may be carried forward to a rescheduled event, and the organiser's decision will be final.

	Authority • The Ground Jury and Organising Committee have final authority on all safety matters, including stopping or rescheduling competition. **Withdrawals** • If the show is postponed, entries carry over and are not refundable. • Riders who cannot attend the new date may substitute another horse or rider with approval from the Show Secretary. • Withdrawals before the official cancellation decision (08:00) are treated as normal scratchings under the show refund policy. • Withdrawals after rescheduling will be treated as scratchings with no refund, unless otherwise decided by the Organising Committee.
THOROUBRED SERIES RULES	1. The Thoroughbred Series is open to purebred Thoroughbreds only. 2. Graded Thoroughbreds must submit their Thoroughbred information via WhatsApp to 082 886 2139, as this is not automatically captured on the DSA system. 3. The Final Championship will be held in November. 4. Competitors may be affiliated or non-affiliated. 5. Scoring for the Series: • Results are based on individual test percentages. • The top five (5) test results achieved during the series will be used to calculate the average percentage, which will determine final championship results and overall placings. 6. All classes are open to all breeds, including Thoroughbreds. However, only Thoroughbreds accumulate points toward the Thoroughbred Series Championship and special Thoroughbred prizes. 7. Horses may be affiliated or non-affiliated to participate in the Thoroughbred Series. 8. Non-affiliated classes will be offered for non-affiliated Thoroughbreds competing in the series. At the conclusion of each non-affiliated class, overall Thoroughbred placings will be awarded. 9. Horses may move between grades in accordance with DSA rules. Points earned will remain at the level in which they were achieved and will not carry over when moving to a higher grade or into the final leg of the series. 10. Points in the series are awarded to the horse-and-rider combination. 11. Horse-and-rider combination champions must be present at the November Championship Show for prize-giving. If the champion is not present, the next-placed competitor will be awarded the championship title and prizes.
