= Team Member

Top 2 scores from each province (unique rider) go towards the Team score. Rider must compete in the designated home province show to qualify for the team .
Score 1 = 1st place for that province, Score 2 = 2nd place in that province

Scores for Judge at B were duplicated for MP as the Judge at C had a medical emergency
Exco felt that this was the most fair way to ensure that the scores were comparable across provinces
